### HEALTH AND SAFETY

TIME TO SMILE Artemis takes into account to control the health, safety and well-being of its employees, guests and suppliers likely to be affected by its operations and activities. We work hard to maintain a healthy and safe environment to all people involved in our business.

To assure this we:

- Make sure all employees are competent to do their job
- Adequately control the health and safety risks related to our work activities and maintain safe and healthy working conditions
- Consult with our employees on matters affecting their health and safety(ex we ask from the beach area staff to wear hats and suntan lotion and drink a lot of water)
- Train our employees concerning health and safety by providing information, give instructions and supervise
- Train employees to use firefighting material and how to deal in case of emergency (we show at the beginning of season how the fire distinguishers works ,we make 2 teams one for each bloc to check, gather and take everyone out of hotel area.
- Prevent any accidents, injuries or work-related illness as much as possible
- Comply with applicable legislation and other requirements concerning health and safety; we will review and update this policy according to any (new) applicable laws
- Regularly have safety checks and controls of the evacuation plan, fire equipment and alarm system
- Have safety signage across hotel to protect customers from being at risk
- In case of medical emergency we offer the basic first aid while reception call for an ambulance
- Smoking in the hotel and smoking of employees is according the Greek regulations
- It is forbidden in the apartments and inside areas of the hotel

This information is communicated to all employees and any third party interested.
